## MARTIN WELLS™ X-TITE BRAND VALVE SEATS

Martin Wells **X-TITE™** valve seats are now available for worldwide distribution (previously only available in Europe and Oceania). X-TITE valve seats are designed as a high quality, lower cost alternative to Martin Wells **WELL-TITE™** brand valve seats. X-Tite seats are made of a chromium alloy with a special added blend of molybdenum, tungsten, nickel and vanadium. This alloy provides strength and resistance to heat, wear, and corrosion.

Martin Wells has over 350 X-TITE part numbers currently available (OD range from 1" to 2.5"), with a total of over 20,000 seats in inventory. Call Martin Wells Customer Service today and ask for a quote.
